Riddle of the White Sphinx

Worksheet 2.0

Every illustration has a key and a key hole – can you find them?

What do you notice about the sphinx?

Where might this be?

What could this be?

What might it say?

Why do you think the top part is very bright and light and the bottom half is dark?

What do you think could be in the case. Why?

What is happening to the mouse?

If you went to the real museum to find the secret object, which section would you visit? Why?
